## Discipline / Behavior

19. Safety of our children is of major concern. The teacher does reserve the right to separate any child that is persistently misbehaving or not listening to the instructors from the other children especially if harming another child. Please discuss proper school time behavior and conduct with your child. Please also share any information with your child’s teacher that you feel may be helpful in dealing with your child if they have a tendency to be disruptive or act out. If a child is deliberately harming him/herself or other children and will not stop, you will be called and asked to pick up your child.
20. We realize some children may have a difficult time being apart from their caregiver/parent. Every attempt will be made to engage your child upon arrival and to ease any separation anxiety including calming and comforting a crying child, however in the event that your child is uncontrollably upset for over 30 minutes, and is unable to be consoled, you will be contacted for pick-up. You may request that you be contacted sooner than 30 minutes if you desire.

Please sign and return this portion.

The undersigned hereby acknowledges that he/she has read, understands and agrees to the Kids In Motion Policies and Procedures for the 2007 – 2008 school year. In the event that the undersigned and/or his/her child does not follow the above stated Policies and Procedures, Kids In Motion (In Motion Dance Center, LLC) reserves the right to withdraw your child from the program and the undersigned may be financially liable for any intentional wrongdoing.
